About Us

_We don’t want to just appear capable; we want to be powerful and we want to prove it._

*Regina E. Coley, Executive Director, Leading Ladies of Legacy Inc.*

Leading Ladies of Legacy Inc. is a non-profit leadership development program serving girls ages 7-18, primarily minority, in the Greater Metro Atlanta area. Leading Ladies of Legacy works with girls to provide academic achievement, college and career training, as well as tools for serving their community. In 2015 Leading Ladies of Legacy is projected to serve 500 girls city wide.

Leading Ladies of Legacy believes that each girl harbors the potential to become leaders of change within their communities. Lack of leadership, lack of seriousness towards education, lack of knowledge, selfishness and loss of standards amongst minority females, is the root of social challenges one of which is producing unproductive citizens. Leading Ladies of Legacy has created three important organizational goals:

1. To increase high school graduation and college acceptance rates among Atlanta’s girls of color.
2. To increase the college attendance rate of Atlanta’s girls of color
3. To increase career preparation readiness for Atlanta’s girls of color

Leading Ladies of Legacy Inc. offers a custom curriculum that focuses on helping girls build leadership skills like self-reflection, critical thinking, sound decision making, goal setting, clear communication and personal accountability. As a result, Leading Ladies of Legacy girls develop a true sense of their personal power and their outcomes are astounding!

Mission and Vision Statement

Our mission is to train girls to be effective leaders, caring citizens, and self-aware of themselves and their communities.

Our vision is to be a world-class organization that builds girls of confidence and character using their voices and talents to make the world a better place!
Program Overview
Leading Ladies of Legacy programs are girls-only, safe space gatherings that meet once weekly after school, during school and/or on Saturdays at local schools, community centers, youth serving organizations and our own facilities. A typical group serves 20-25 girls. A typical session features a guided conversation/activity led by one highly trained Adult Program Coordinator. Topics might include school, relationships with family, friends and boys, careers, health or whatever the girls identify as pressing issues for them.

Leading Ladies of Legacy addresses the interconnected issues of poverty, teen pregnancy, violence, and lack of educational attainment at their very roots, by working with girls during the critical pre-teen years, when personal choices that are made can have lifelong consequences. Leading Ladies of Legacy girls build leadership skills and character traits such as honesty, personal accountability, learning to listen to the viewpoints of others, clear communication, critical thinking about life and its choices and sound decision making. Through goal setting our girls work on reaching tangible goals. These skills are essential to success in school, work and life.

Additional program elements include ongoing academic support, annual college tour, community field trips, guest speakers, and many other unique components. We also understand that some habits have already been established by the teen years so we’ve developed enrichment programs for elementary and middle school girls to prepare them for our signature teen programs.

The Leading Ladies of Legacy Promise
The girls recite the Leading Ladies of Legacy Promise at each gathering:

We are Leading Ladies of Legacy and we are operating at our best. All of the girls here are my sisters, each one precious and unique.
Leading Ladies of Legacy helps me to:
• Believe in myself
• Understand that through my voice and talents I can make a difference
• Understand others, the community, and myself
• Go confidently in the direction of my dreams
• Acquire knowledge through new ideas and self exploration
• Lay the foundation for my life
• Unlock my unique potential
• Utilize my intellectual, emotional, and spiritual resources

We are powerful girls who achieve our goals and dreams! We won't leave here like we came!
Leading Ladies of Legacy was founded under four principles.

**Character**
*Moral or ethical quality*
*Qualities of honesty, courage or the like*
We are a challenging and supportive group of girls, ladies, and women who are developing character. We lay the foundation for ourselves. Through character development we unlock our unique potential. We learn to utilize our intellectual, emotional, and spiritual resources.

**Education**
*Act of acquiring knowledge*
*Developing the powers to judgement and preparing oneself or others intellectually for mature life*
The most important thing we can obtain in this world is knowledge. Knowledge comes in many forms through schooling, reading, talking, and experiencing. We will challenge and expose our members to knowledge and develop inquiry skills.

**Leadership**
*Ability to lead, guide or direct*
As a leader we help others to learn just as we have been helped. We ask the best of others just as someone shaped the best in us.

**Service**
*An act of helpful activity, help; aid*
“I hear-and I forget
I see- and I remember
But I do-and I understand”

The pursuit of destiny requires our true best and our true best cannot be attained without the help of others. Active service helps us to understand others, our community, and ourselves.
Our Mentoring Groups

Little Ladies League (Girls ages 5-9)
The Little Ladies League is our character development program for our girls. Girls will meet weekly to discover their character through reading, performing arts, and community service. By exploring their world and their place in it, our goal is that girls will develop a greater sense of purpose. The sessions will focus on:
1. Social and Emotional Skills
2. Moral Character
3. Literacy
4. Introduction to the Performing Arts

Lovely Ladies League (Middle Schoolers Only)
Lovely Ladies is a weekly empowerment/mentoring session for our middle school girls. The program is unique from other mentoring programs because it utilizes a group mentoring model. The activities range from workshops and focus groups to social and cultural field trips. The workshops focus on five main areas:
1. Positive Self Identity and Self Esteem
2. Personal Vision and Goals
3. Social and Emotional Skills
4. Moral Character
5. Academic Success and Work Ethic
Thank you for your interest in Leading Ladies of Legacy Inc. Mentoring Programs. This mentoring initiative coordinates a small group relationship for young girls, to provide the support needed to succeed.

Leading Ladies of Legacy, Inc. provides youth with adult mentors who can meet with them for at least one hour per week at our Education Center in Austell, GA. The Mentor’s job is to help the young person define individual goals and find ways to achieve those goals. Since the expectations of each child will vary, the job of the mentor is to encourage the positive development of the young girls. By sharing fun activities and conversation, a mentor encourages positive choices and promotes high self-esteem. Some of our programs meet in a small group mentoring setting where one mentor is responsible for a group of 4-5 girls.

**All mentors** complete a formal training and undergo a criminal background check before they are allowed to work with the girls.

In order for your daughter to be considered for this opportunity, I need you to complete the attached Mentee Application and return to your point of contact listed below. If you need further assistance please contact, Regina Coley, Leading Ladies of Legacy Executive Director.
